

Keep Safe . Keep Away . Keep Telling™

I keep safe my personal information--all of it! I never give my real name, address, phone number, the name of my school, or a picture of myself to anyone online. *I never give out any of my personal information or passwords to anyone, even my best friends, because I never know what might happen to it.*

I keep away from Internet strangers--no matter what they tell me, because I have no way of knowing who they really are. I don't talk with them online, and I never meet them face-to-face. *I never respond to flame, because that's what they want me to do. I don't talk with bullies online, I block them so they can't talk to me and I try not to have contact with them face-to-face.*

I keep telling my parents or a trusted adult about everything I see on the Internet--I always tell them when something makes me uncomfortable.
