

Grade K- Computers Class:

Clicker the Cat Lesson Directions:

Computers Classes:

- Monday, May 4, 2020
- Tuesday, May 5, 2020
- Wednesday, May 6, 2020
- Thursday, May 7, 2020
- Friday- See the assignment posted separately that is specifically for **May 8th**. Friday's class will work on this assignment Friday, May 15th. Remember, we did not have school on Friday, April 10th.

LEARNING OBJECTIVES:

- Use the **DETAILS** in a book to help identify the Main Character, the Setting and elements of Plot in a story
- Develop active listening skills as a story is read aloud using technology
- Identify and apply **DIGITAL CITIZENSHIP & INTERNET SAFETY** Skills:
 - Get permission from a trusted adult to use a digital device and use technology with adult supervision
 - Follow a trusted adult's Rules for Technology Use
 - Balance Screen Time
- Demonstrate developmentally appropriate navigation skills in virtual environments

LESSON MATERIALS:

- A parent/guardian to guide student through accessing the online learning platform, **EdPuzzle**, and to help with reading parts of the lesson (Note that the story is read aloud and is posted as a video within EdPuzzle. The video will stop when a question needs to be answered. I have built the questions right in the assignment.)
- This **Lesson Directions Page** (virtual PDF or photocopied PDF)
- The **Directions to Log In & Access the EdPuzzle Assignment for Computers Class Video Tutorial**, which is needed to access the posted assignment
- The **Directions to Access & Join the correct EdPuzzle Class**, which is needed to **JOIN** Edpuzzle and to access the posted assignment for last week and this week (see pages 2 & 3 of this PDF)- **Students/Families should have JOINED Edpuzzle last week; However, if you did not, I have included the directions in this week's assignment as well. Please complete last week's assignment first if you have not done so already.**
- A Digital Device (Smart Cell Phone with web browser App, iPad/Tablet with web browser App, Chromebook, or Laptop/Desktop Computer (with web browser installed))

Lesson Directions:

- Watch the Video Tutorial to learn the **Directions to Log In & Access the Edpuzzle Assignment**. The video will demonstrate how to log into the account you should have created last week.

- Navigate to the digital interactive lesson by clicking on [Edpuzzle.com](https://www.edpuzzle.com) or by typing in the address in your web browser, watch the video, and answer the questions as they automatically appear throughout the digital assignment. Note that I will automatically see your child's progress within the Teacher Dashboard in EdPuzzle once your child has completed this assignment.

- IMPORTANT NOTE: This tutorial is for those who still need to Join Edpuzzle and complete last week's and this week's assignments. Watch the Quick Tutorial Video**, which demonstrates how to access EdPuzzle, how to create a new account for your student, how to access the assignments, and how to navigate Edpuzzle. Note that the lesson in this example is different than the real lesson.
